12. Do I need to settle my payment after two (2) days?

Not necessarily. You may settle it at your own convenient time but we still recommend that you pay it immediately so we can process your application for admission. However, for bank payments, you may settle your application fee after 2 working days from the time the application form has been submitted. This is to allow our system to forward the official list of applicants to our accredited banks with their Admission Control Number which will be used by the applicants as their reference number in their payment.

13. Can I refund my application fee?

No. The application fee is non-refundable.

14. Am I going to receive a confirmation message after I fill-out my FEU application form?

Yes. Once you submitted your online application, this prompt message will be seen on your screen: "You have successfully submitted your Admission form. Your Adcon Number is _____".

A confirmation email will be sent to your registered email account to formally inform you of your successful admission application in FEU for SY 2021-2022.

15. What are the courses offered in FEU?

You may visit our official website and explore all the programs that we offer through this link <https://www.feu.edu.ph/index.php/be-an-feu-tamaraw/degree-programs/>

16. What is the difference between Admissions Control Number and FEU Student Number?

The Admissions Control Number or Adcon Number is provided as your reference number after submitting your online application. It will appear on the left part of your screen and in your confirmation message to indicate that you successfully submitted your application. You will be using the Adcon number in all your transactions in the university throughout the enrollment process. On the other hand, the FEU Student number will be provided once you are officially enrolled in FEU.

17. What applicant type should I consider during application?

If you are currently enrolled in your Grade 12 level or you finished your Grade 12 level, please select Freshman – SHS as your applicant type. However, if you belong to the old curriculum and was a graduate of High School level, kindly select Freshman – HS. For those who were given a certification by the Department of Education under the Alternative Learning System (ALS), please select Freshman-ALS.

OTHER FREQUENTLY ASKED QUESTIONS

1. Do you have face to face transactions for admission application in FEU?

Admissions and Financial Assistance is currently not accommodating face to face transactions for the admission application of applicants for SY 2021-2022 in observance of the quarantine protocols set by the government. If you have any concerns, you may reach us through our email and/or Facebook page account.

Email: admissions@feu.edu.ph

Facebook: www.facebook.com/FEUAdmissions

2. Do you have face to face transactions for admission application in FEU?

K to 12 graduates may enroll in any degree program offering of the university regardless of the track or strand taken in their Senior High School provided that they qualify the admission requirements for the program they intended to pursue.

3. How many semesters does FEU have?

FEU has two semesters per school year

4. Can I change the course that I have registered during my online application?

Yes, you may change your preferred degree program during your enrollment

5. Is my application in FEU Manila also valid to other FEU subsidiaries and vice-versa?

No. Each FEU school has a different admission qualifications and procedures. However, applicants from FEU Makati and Cavite can be accepted in FEU Manila and vice-versa.

6. What will be the learning modality for this AY 2022-2023?

FEU has adjusted the delivery of quality education consistent with the Commission on Higher Education's (CHED) recommendation for flexible learning to prevent the spread of COVID-19. With different levels of quarantine applied to several parts of the country and with public health as a priority, the movement of people—including students—has significantly changed, teaching and learning process will have to adjust as well.

The operations of the university will primarily depend on government advisories on community quarantine. For SY 2021-2022, the learning modality will still be dependent on this protocol of the government to assure safety of our students and employees.

You may visit <https://www.feu.edu.ph/docs/FEU%20Primer%202020.pdf> or visit the official Facebook page of Far Eastern University for further information about your new learning experience in FEU.
